PRIMARY ELECTION REPORT
of the
SECRETARY OF STATE
of the
STATE OF INDIANA
1988

Primary Election Statistics

JOSEPH H. HOGSETT
Secretary of State

"Every government degenerates when trusted to the rulers of the people alone. The people themselves therefore are its only safe depositories."

Thomas Jefferson

At the foundation of every democracy is the fundamental principle that citizens have the right to choose their leaders. This report contains the official results of Indiana's most recent exercise of that right, the 1988 ~~election.~~

Primary and General Election returns are included for the offices of President and Vice-President, U.S. Senator, U.S. Representatives, Governor and Lt. Governor, Attorney General, Superintendent of Public Instruction, State Senators, State Representatives, and County Judges. Also included are the results of retention votes for one Indiana Supreme Court Justice and the Judge of the Indiana Tax Court. Results from voting on three proposed amendments to the Indiana Constitution are contained in the report as well.

Finally, figures for voter registration and voter turnout are also included. These are, perhaps, the most important indicators of the health of our democracy. In one sense, they are very heartening. Nearly 77% of those registered to vote in 1988 did so. On the other hand, the 2.168 million Hoosier voters who went to the polls in 1988 represent only 54% of the Indiana citizens who are old enough to vote.

As the state's chief election officer, I am committed to doing all I can to encourage Indiana citizens to register and vote. We are all depositories of democracy, but only when we exercise our right to vote.

Sincerely,

Joseph H. Hogsett
Secretary of State
